Battery Chargers Battery Load Testers Car Batteries Car Battery Chargers Golf Cart Battery Chargers Jump Starters Motorcycle Batteries Portable Car Battery Chargers Remote Car Starters Residential EV Chargers Trickle Chargers Photo Courtesy: Pixabay When choosing your Bluetooth headset, consider the style you prefer, such as earbuds, which are small and fit straight into your ear, or headphones, which are placed over your ears. What other features should you choose? To use the headset while working out, for example, a wireless version is best and one that's sweatproof. When driving, you need hands-free options so go for one that includes voice recognition technology. Read this guide for more details to consider when purchasing your Bluetooth headset. MORE FROM CONSUMERSSEARCH.COM Many headsets are on a global back order, confirm stock before ordering | Free shipping & 30 day returns on all orders c054 batteryDrew MerrittAug 13, 2019 Replacing the battery in your Plantronics CS540 (C054) wireless headset is easy! On average customers will replace their battery about every 2 years. If you notice the battery no longer holding a charge like it once did, follow these quick steps to replace your C054 battery. Click here to get this battery for FREE! Step 1 Remove the battery door cover on your Plantronics C054 earpiece. Step 2 Located on the battery is a small white connector with a black and red cord connected to it. Pull the white connector away from your C054 earpiece and the battery will easily disconnect. Step 3 Reconnect the new battery the same way it was disconnected and re-install the battery door cover. Let your headset charge for at least 3 hours for a full charge and your headset is refreshed and ready to be used! |Free shipping, arrives by Mon, Apr 25 to Want it faster? to see optionsSold and shipped by Thawfire | Firewire LLCFree 30-Day returns Notice unusual marketplace activity?Report When your Plantronics CS540 or C054 wireless headset no longer holds a charge, we have you covered with a 100% compatible replacement battery. On average your headset battery will last 1-2 years before a replacement is needed. When you start to notice that your battery will no longer hold a charge for more than 7 hours, it's time for a replacement. Follow our Plantronics CS540 battery replacement guide, for further information on installation. Recycle responsibly! Please recycle your spent batteries responsibly. Feel free to ship your recyclable batteries to us for recycling. Or visit a local Batteries + Bulbs to have your batteries recycled. Having spent batteries recycled is the right thing to do to protect our environment Item: HA10128
